

**The Next Frontier in Drug Safety in India**  
**Introducing the Drug Safety Symposium 2024 - India Chapter**  
**June 27<sup>th</sup> and 28<sup>th</sup>, 2024 at Radisson Blu Mumbai International Airport**

Following the resounding success of the Drug Safety Symposium 2024 in Dubai, we are thrilled to announce the much-awaited India Chapter of the Drug Safety Symposium 2024 on June 27<sup>th</sup> and 28<sup>th</sup>, 2024 at Radisson Blu Mumbai International Airport.

Set against the backdrop of India's vibrant pharma landscape, this symposium promises to be a gathering of industry pioneers, regulatory experts, and thought leaders, all dedicated to advancing drug safety practices and shaping the future of healthcare. The symposium aims to bring together leading experts, industry professionals and thought leaders in the field of pharmacovigilance to discuss the latest advancements, regulatory changes, and innovative solutions driving the pharmaceutical industry forward.

**Exploring emerging trends and solutions for current challenges:**

As the pharmaceutical industry continues to evolve, so do the challenges and opportunities in drug safety. The symposium will feature discussions on a wide range of topics, including pharmacovigilance regulations, advancements in signal detection, the role of artificial intelligence in drug safety, and more. Attendees will have the opportunity to gain valuable insights into emerging trends and innovative approaches to addressing drug safety challenges.

**Building on the success of the Dubai Edition:**

Building on the success of the Dubai edition, the Drug Safety Symposium 2024 - India Chapter aims to further expand its impact and reach. With an emphasis on knowledge exchange, networking, and collaboration, this event will bring together stakeholders from across the pharmaceutical ecosystem to drive meaningful change and advance the cause of patient safety.

**Join Us in Shaping the Future of Drug Safety:**

We invite you to join us at the Drug Safety Symposium 2024 - India Chapter and be a part of this transformative journey. Together, we can explore new horizons, overcome challenges, and pave the way for a safer and healthier future.

Stay tuned for more updates and announcements as we embark on this exciting venture. See you at the symposium!

**Event Highlights:**

- Engaging sessions and presentations on current trends and future strategies in drug safety.
- Interactive case studies and group activities for practical learning.
- Networking opportunities with professionals from around the globe.
- Comprehensive discussions on integrating technology and improving patient safety.
